December 21, 2005

Sir:

The Applicants request the Examiner to initial and return the attached copies of PTO Form-1449 filed November 20, 2000, to indicate that all of the listed documents have been considered.

With the Office Action dated July 19, 2004, the Examiner returned copies of the originally-filed Forms PTO-1449 with several documents crossed out, indicating that they had not been considered. Each of these documents was submitted in the prosecution of parent application No. 09/146,517; accordingly, no new copies or statements of relevancy were required to obtain their consideration in this continuation application.

Accordingly, to ensure that the documents are shown on the cover of the patent issuing for the present application,

the Applicants request the Examiner to initial and return the attached copies of the Forms PTO-1449 as indication that all documents have been considered.

Respectfully submitted,
